RESERVE

DISTILLING NECESSITY

GENUINE HOSPITALITY IS NEVER HAVING TO ASK

HYDRATION

Staying hydrated is key to life on the plains. The temperature is hot, the air is dry, and the surest way to quench a Texas-size thirst is drinking plenty of water, naturally.

- CACTUS-INFUSED WATERS

Inspired by the ingenuity of the drovers, a complimentary line of cactus-infused waters, like our Prickly Pear Cactus Water, contains a potent blend of 24 antioxidants for "detoxing" and "skin revitalization." They're also an excellent hangover cure, perfect for the morning after a big bourbon night. All served in leather canteens, freely available to take with you on hikes, or out on the town.

ADVENTURE

Freedom and the thrill of the unknown were part of the draw for drovers. Like our namesake, we help to guide and facilitate interactions in hopes of turning strangers into companions. From guided treks to survival classes that teach how to live off the land, we help guests connect with nature in way that's true to the original spirit of adventure.

- ORGANIZED HORSE & CATTLE TREKS
- FRONTIER BUSHCRAFT COURSES
- ROPE SKILLS CLASSES

REST

When traveling, a good night's sleep becomes a cherished commodity. For comfort that truly feels like home, our rooms serve as a peaceful sanctuary where rest, relaxation, and comfort come as naturally as the stars in the night sky.

- DREAM-INDUCING BEDS
- PILLOW SERVICE
- LOCAL SCENTS
- COWBOY COFFEE IN ENAMEL CUPS
- FINEST BOURBON
- FIREPLACE TO GATHER AROUND

WELLNESS

While drovers had the benefit of a physically demanding job, the same can't be said for most of our guests. To help you stay in shape, we offer a unique array of indoor and outdoor activities that encourage guests to get up and get moving.

- MORNING BOOTCAMP (COWBOY STYLE)
- TRAIL RUNS
- GROUP SUNSET STROLLS

A man Sometimes needs to feel a little dirt and a little grit to keep him grounded.
